The screenshot shows the SIO.MDM user interface for changing a password. At the top, there's a green header bar with the SIO.MDM logo and a link to 'Sistem za upravljanje identitet'. On the right side of the header are icons for 'Odjava' (Logout), language selection (Slovene, English, Italian, French), and other user settings.

The main content area has a light green background. It contains three input fields:

- Trenutno geslo**: A field labeled 'Vnesite obstoječe geslo...' (Enter current password...).
- Novo geslo**: A field labeled 'Vnesite novo geslo...' (Enter new password...).
- Ponovite novo geslo...**: A field labeled 'Ponovite novo geslo...' (Repeat new password...).

At the bottom right of the form is a green button labeled 'Spremeni geslo' (Change password).

At the very bottom of the page, there's a dark footer bar featuring several logos: arnes, e-šolstvo, Evropski svet za znanost in tehnologije, European Union flag, and Naložba v našo prihodnost (EU Operational Program 2014-2020).
